

CLASS OF

2020

VIRGINIA BEACH CITY PUBLIC SCHOOLS
MONTH OF THE
#VBGrad2020

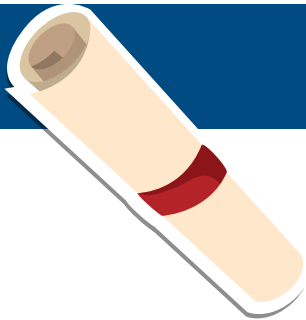

Light Up the Night

From June 9-13, VBCPS will "Light Up the Night," as each high school stadium illuminates their field lights at 8:20 p.m. for exactly 20 minutes and 20 seconds, while "2020" is displayed on the scoreboard.

Virtual Tribute

There will be a special VBCPS Graduation 2020 website, where each school will post a virtual ceremony video tribute, featuring a welcome from the principal and superintendent as well as student speeches from the valedictorian and salutatorian.

Graduation Ceremony

Between June 17-20, high schools will host an individual graduation ceremony for each student, allowing the graduate to walk across a stage in their cap and gown, receive their diploma and have their picture taken.

Senior Signage

We are working with community groups and businesses to display tributes to grads around the city and all VBCPS schools and centers will display special messages on their marquees. A Class of 2020 yard sign will be given to every graduate.

VB Grad Wall

The VB Grad Wall will once again allow families and friends to post inspirational messages for the Class of 2020 on the division website by using the hashtag **#VBGrad2020** on social media.
